**RE: Phase I Environmental Site Assessment
Heritage Woodstone Assisted Living
622 Filer Avenue West, Twin Falls, Idaho**

To Whom It May Concern:

Summit Environmental, Inc. (Summit) has been retained to conduct an environmental site assessment on the property at 622 Filer Avenue West in Twin Falls, Idaho (see attached aerial map). The Site is the present location of the Heritage Woodstone Assisted Living Center, a retirement and assisted living facility.

An aerial map with the site location indicated is attached for your assistance. The established address for the site is 622 Filer Avenue West, Twin Falls, Idaho. If you have any questions about the site location please, contact Summit at 208.377.2900.

We would appreciate any available information your office might have regarding environmental contamination at the sites, or any nearby properties that may impact the sites. Information regarding any area or regional environmental concerns that may potentially impact the sites would also be beneficial.

Information pertinent to Summit's assessment would include, but not be limited to: chemical spill notifications, employee or citizen complaints regarding chemical management, noncompliance with environmental regulations (RCRA, CERCLA, etc.), leaking underground storage tanks, groundwater and drinking water information, sewer/septic and waste water information, or any current or past environmental investigations associated with this area.

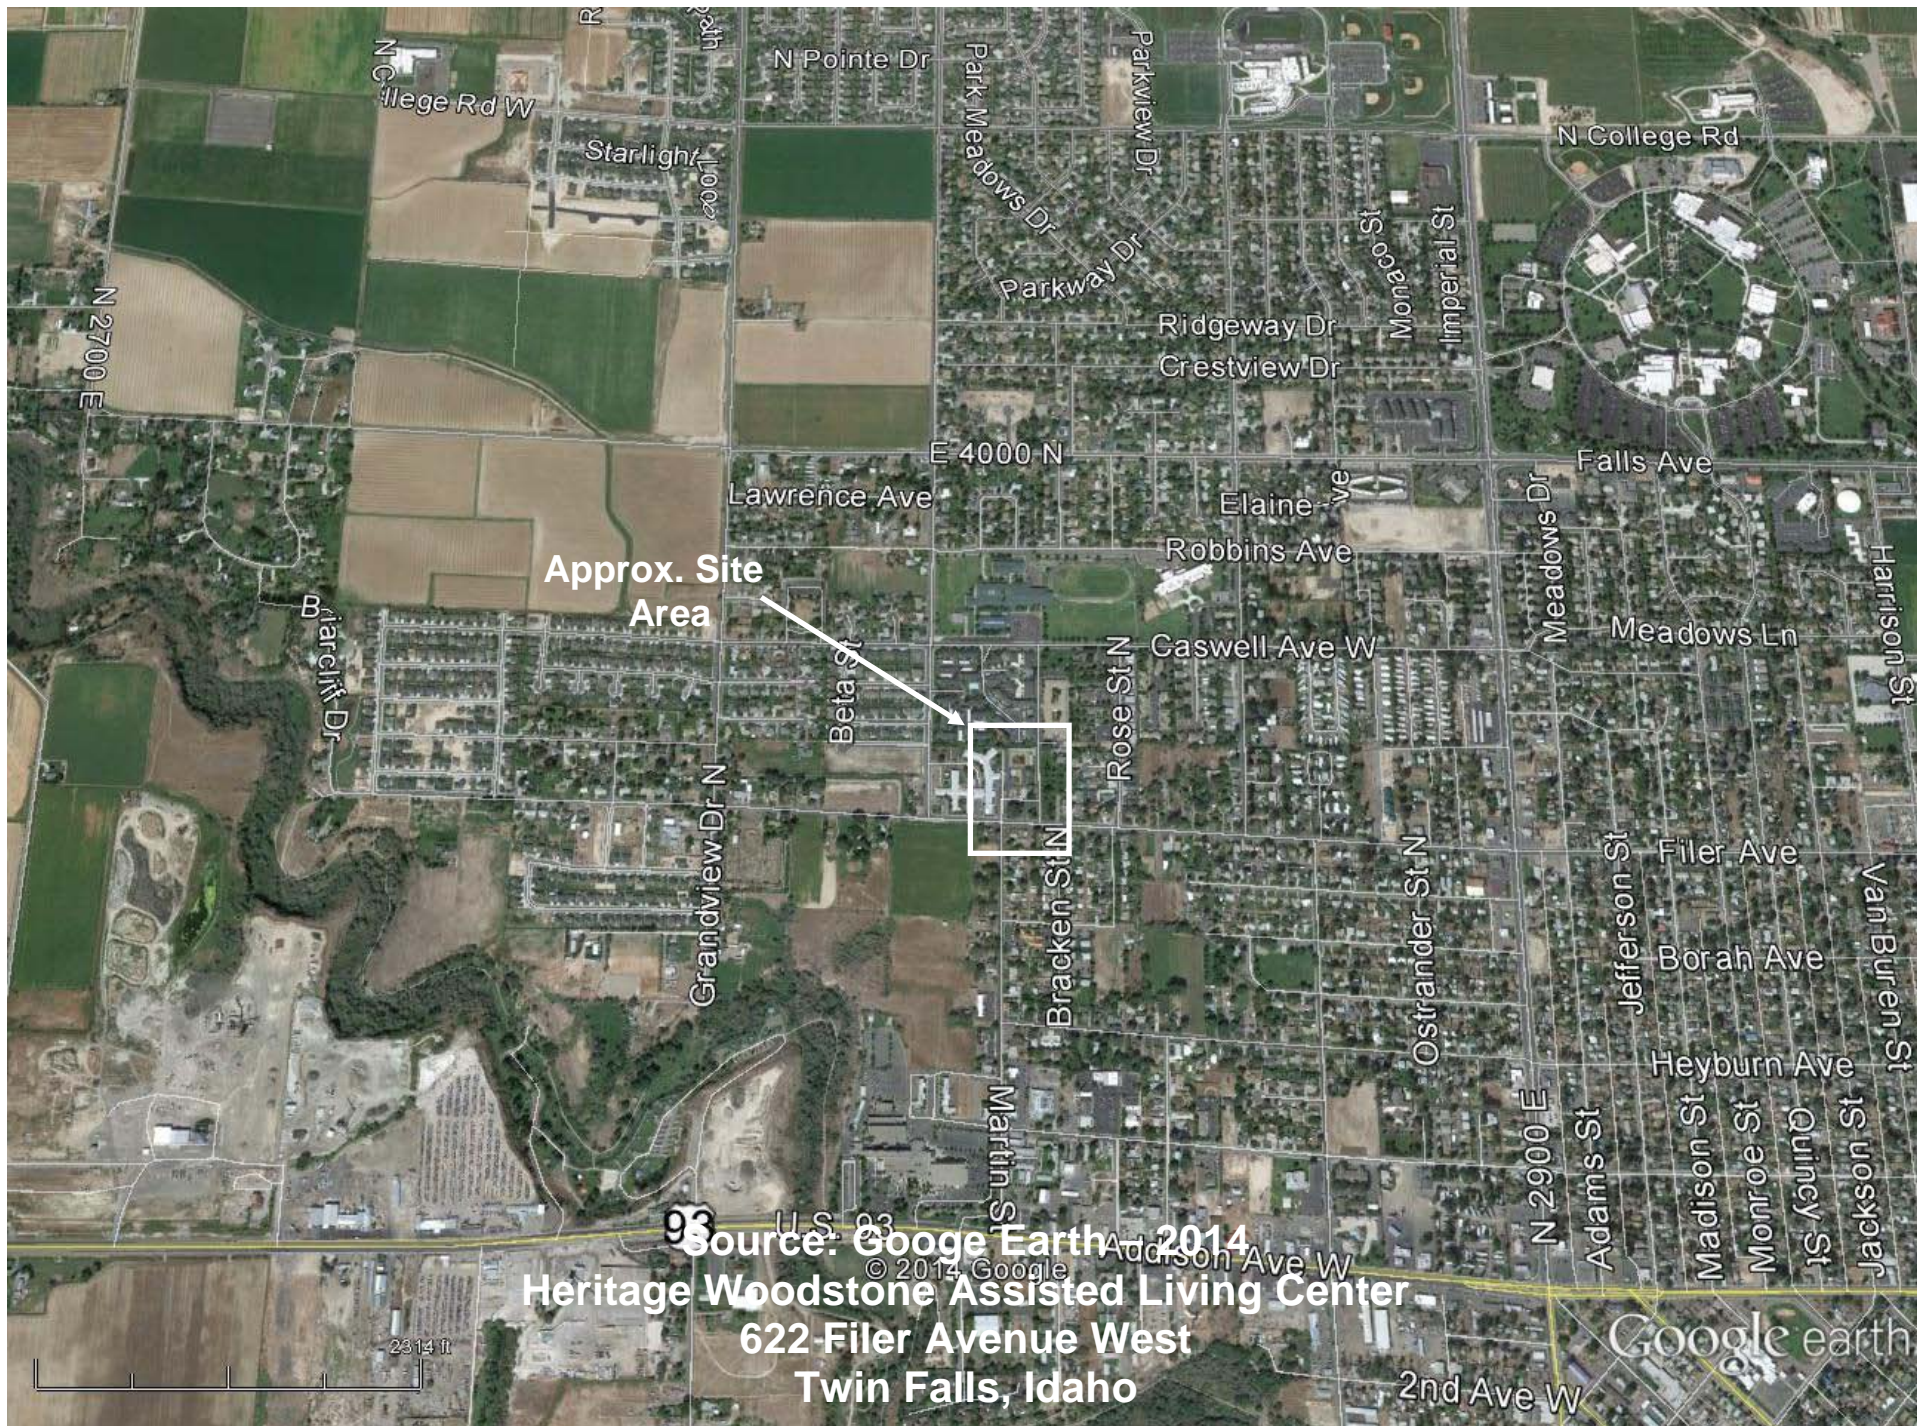

Please call me at 208.377.2900 if you have any questions or need further information. A written response addressed to me prior to December 5, 2014 would be greatly appreciated. Please reference the site in your correspondence.

Sincerely,
Summit Environmental, Inc.
